

Only Three Days Remain of "50,000 Club's" Special Offer

Friends Will Be Glad to Help Contestants If They Are Asked
for Aid By Those in The Washington Herald's Cam-
paign to Increase Its Circulation.

The special ballot offer in The Herald's "50 Club" campaign comes to a close at 11 o'clock on Saturday night, February 23. All members are strongly urged to do their utmost in the way of securing all possible subscriptions during the three remaining days of the bonus offer. The special ballot offer of 25,000 votes gives you the greatest opportunity in the campaign to increase your voting strength. Make the most of these days, and let every friend and acquaintance of your own immediate circle to give you a subscription to enable you to earn not one but two, three or more special ballots, which entitles you to 25,000 votes with every \$15 worth of new subscriptions.

Offer Closes Saturday.
After you have canvassed your friends and acquaintances, extend your sphere of activity to their friends. You can do this in three days, first, by personal solicitation, and also by working up the enthusiasm and interest of your friends. Your friends can help you in a great deal, and it would be unwise for you not to accept their assistance when many would be only too glad to give you a lift.

All members will please bear in mind that the special ballot offer positively will close at 11 o'clock on this coming Saturday night. Members who intend to turn in their subscriptions in person to the club management must be sure to report by that hour. Those living at a distance will receive the special ballot votes on the subscriptions they send in through the mail, provided the post mark on the envelope or package shows the hour of mailing to be not later than 11 p. m. Saturday, February 23. So, do not make any mistake about this.

If you are thinking of entering or if your vote credit, as it appears in the list today, is not increased, now is your time to enter this merry race for votes and prizes.

By taking advantage of the special ballot offer, you can get, with a few subscriptions, enough votes during the next three days to put you on equal terms with the leading members in the club.

New Names Appear.
As an illustration of what has been done by others during the last few days, the names of several new members appear in today's list. Of these, several started with subscriptions, and promise to become active members.

Heavy voting also has been done by a number of members who, in former lists, were shown to have only 1,000 votes to their credit. These members evidently started a campaign for votes to show their well-wishers that they meant to win one of the prizes.

The eight standing highest in the list now are:

Iron Is Greatest of All Strength Builders, Says Doctor
A Secret of the Great Endurance and Power of Athletes

Ordinary Nuxated Iron Will Make Delicate, Nervous, Run-down People 200 Per Cent Stronger in Two Weeks' Time in Many Cases.

New York, N. Y.—Most people foolishly seem to think they are going to get renewed health and strength from some stimulating medicine, secret nostrum or narcotic drug, said Dr. Saker, a specialist of this city, when he said matter of fact, real and true strength can only come from food you eat. But people often fail to get the strength out of their food because they haven't enough iron in their blood to enable it to change food into living matter. From their weakened, nervous condition they know something is wrong, but they can't tell what, so they generally commence doctoring for stomach, liver, or kidney trouble or symptoms of some other ailment caused by the lack of iron in the blood. This thing may go on for years, while the patient suffers untold agony, if you are not strong or well, you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary nuxated iron each day, three times per day after meals for two weeks. Then test your strength again and see for yourself how much you have gained. I have seen dozens of nervous, run-down people, who were ailing all the while, double their strength and endurance and entirely get rid of all symptoms of
